Field Protection Agency is a proprietary provider of **GroundShieldz-P**

GroundShieldz-P is a unique temporary flooring option, combining durability with lightweight features. It is the perfect choice for pedestrian walkways and areas experiencing high foot traffic. Functioning as an exceptional turf protection solution, **GroundShieldz-P** ensures the vitality of grass with breathability, allowing sunlight to permeate while safeguarding it from potential damage caused by pedestrians or vehicles. This versatile product is suitable for both natural and synthetic turf, whether used indoors or outdoors.
